

The Faculty of Metallurgy has permissions from Ministry of Science, Education and Sports to conduct undergraduate, graduate and postgraduate doctoral university study in the field of Metallurgy as only one faculty of that kind in the Republic of Croatia. Also, Faculty has a permission to conduct undergraduate specialized study-as-you-work course of Casting.

All activities related to the educational processes at the Faculty are coordinated by Commission for teaching (<http://www.simet.unizg.hr/nastava/povjerenstva-i-odbori-2013-2015/Povjerenstvo%20za%20nastavu%202013-2015.pdf/view>).

All data about education are available on: <http://www.simet.unizg.hr/nastava>.

Vice-dean for education: Zoran Glavaš ([glavas@simet.hr](mailto:glavas@simet.hr)).
