

**University of Zagreb**  
**Faculty of Metallurgy**

**SIMTECH**

**2026**

**1<sup>st</sup> INTERNATIONAL CONFERENCE**

**METALLURGY, MATERIALS AND  
OCCUPATIONAL SAFETY**

*Materials as the Foundation of  
Engineering Safety*

**22 - 23 October 2026**

**Sisak, Croatia**

## ABOUT THE CONFERENCE

SIMTECH aims to provide an international platform for the exchange of knowledge in metallurgy, materials engineering and occupational safety. The conference promotes scientific excellence and industrial relevance by emphasizing the fundamental role of materials in ensuring reliable and safe engineering solutions.

Through interdisciplinary dialogue between academia and industry, SIMTECH supports the development of materials, technologies and practices that contribute to structural integrity, operational reliability and occupational safety in engineering and industrial environments.

## CONFERENCE TOPICS

- Metallurgy and Processing of Metallic Materials
- Advanced and Functional Metallic Materials
- Materials Properties, Performance and Reliability
- Engineering Safety and Structural Integrity
- Occupational Safety and Human Factors in Engineering
- Sustainable Metallurgy and Responsible Production

## TARGET AUDIENCE

- Academia
- Research Institutes
- Industry
- Safety Organisations

## TYPES OF CONTRIBUTIONS

- Oral presentations
- Poster presentations

## CONFERENCE LANGUAGE

The official language of the Conference is English.

## CALL FOR SPONSORS

This is a unique opportunity to present your organization to a diverse audience of academics, industry professionals and students at SIMTECH 2026. Please submit your promotional materials by 15 October 2026, according to the selected categories.

## SPONSORSHIP CATEGORY

Gold	€ 1500 - 2000
Silver	€ 1000
Bronze	€ 500

**Gold** – full-page (A4) advertisement in the Conference Proceedings, 5-minute company presentation

**Silver** – full-page (A4) advertisement in the Conference Proceedings

**Bronze** – company logo in the Conference Proceedings

*Please note: due to limited space, the sponsor exhibition area will be located within the lecture hall where the conference sessions take place. The conference programme will include dedicated time for attendees to visit the sponsor stands*

## SUBMISSION INFORMATION

Sponsors are requested to register via the [online registration form](#) and submit their promotional materials by email [simtech@simet.unizg.hr](mailto:simtech@simet.unizg.hr)

Further information about the conference programme, participation and important dates is available on the [website SIMTECH](#) and email [simtech@simet.unizg.hr](mailto:simtech@simet.unizg.hr)
